ABOUT US

Founded on the principles of quality, integrity, and excellence, Wellflow Gulf Trading W.L.L is a renowned Trading, Blending, and manufacturing Company based in the Kingdom of Bahrain with a significant subsidiary in Saudi Arabia and the U.K. We bring years of expertise and dedication to the trading and manufacturing industry, cementing our reputation as a regional leader.

Our business extends across diverse sectors, including Refinery and Petrochemicals, Metals and Minerals, Power and Desalination, Utility plants, and Customized Chemical Blending Services. Over the years, we have established strong relationships with numerous industries, providing them with high-quality products and services that meet their unique requirements.

At Wellflow Gulf Trading, we are committed to the highest standards of service and professionalism. Our team comprises industry experts who share a common goal - to deliver the best to our clients. We strive to understand our client's requirements and provide customized solutions that meet and exceed their expectations.

Our strategic locations in Bahrain and Saudi Arabia allow us to serve a wide range of clients across the GCC, both locally and internationally. We leverage state-of-the-art technology and innovative practices to ensure efficiency and reliability in our operations.

Wellflow's value-added services in the supply chain make us the partner of choice for both customers and suppliers.

Through our established warehouse facilities, we provide unmatched material availability, handling expertise, and logistical capabilities to satisfy specific requirements.

We guarantee the secure, professional, and competent management of chemical products, whether they are hazardous or non-hazardous, liquid or solid, bulk tanked, drummed, or bagged.

OUR VISION

Our vision is to be the preferred partner for businesses in the sectors we serve, and we are continuously evolving to meet the changing demands of the market. Our success is deeply intertwined with the success of our clients, and we are dedicated to fostering long-term partnerships based on mutual growth and trust.

OUR MISSION

Our mission is to be a trusted and reliable partner in our area, providing high-quality products and exceptional customer service. We are committed to sourcing and delivering a diverse range of products while ensuring the highest standards of safety, compliance, and environmental responsibility. Through our expertise, integrity, and dedication, we aim to contribute to the success and growth of our customers, employees, and stakeholders while fostering long-term relationships built on trust and mutual benefit.

OUR VALUES

Acting with honesty, transparency, and ethical behavior in all business dealings. Prioritizing the safety and well-being of employees, customers, and the environment. Encouraging creativity, embracing new ideas, and seeking continuous improvement in processes and technologies. Embracing environmentally friendly practices, promoting responsible resource use, and minimizing environmental impact.

OUR COMMITMENT

Whether it's the largest product innovation or a simple technical query we have made it our business to be there and provide unwavering support to our clients. Our overriding commitment is partnering with our customer's success and to forge strong relationships.
